Before Earth was created there was nothing except a great Inky darkness.

But God's Spirit was there, and God was a bit of a **SMARTIE**. So, He did up His **BUTTONS** and got down to his **TWIX**.

God said: "Light!" and light appeared. God saw that light was good, so he separated it from the dark. He named the light day and **AFTER EIGHT** nights, and that was day one.

God said: "Sky!" and the sky separated from the watery **RIPPLES** below and that was day two.

God spoke to the water: "Separate!". So, the water under the **MILKY WAY** gathered into oceans and **ROCKY** land appeared. God saw that it was **QUALITY**. He spoke again: "Earth – be green! Grow all types of plants including fruit trees and **ROSES!**" And so, the Earth became **BOUNTY**-full. And that was day three.

God said: "**STARS**" shine in Heaven's sky to help us know the time and season. **BOOST** the light to the Earth. God made two big lights, brighter than **MARS**, the larger for day and the smaller for

night. God placed them in the **GALAXY** to light up the Earth. And that was day four.

God spoke: "Ocean! Fill with fish! **AERO!** Fill with birds!" And from the largest of whales to the smallest of fly, the ocean came to life. **ALLSORTS** of birds began flying though the sky. And that was day five.

God spoke: "Earth – come to life!" And there they were – **LIONS, PENGUINS, YORKIES, KITcats** and every other type of animal.

God WISPA'd – "Let's have humans too!" and he made them responsible for all of the animals and **NATURE (VALLEY!)**. He made them male and female and told them to make JELLY BABIES to fill the earth. And that was day six.

And on day 7, God took a TIME OUT, looked at his **MARVELLOUS CREATIONS** and saw that they were good.
